

“Practical Law

gives me confidence that I have the best, most up-to-date case law and research to make decisions on my own.”

Kaitlyn Jones
In-House Counsel

In the high-stakes world of health care, you can't afford to be wrong

\$42 billion
annual cost of medication errors

1 in 10
patients harmed while receiving hospital care

Nearly 50%
of adverse events could have been prevented

The consequences of a **wrong** decision can be painful

- Penalties in the tens of millions of dollars
- Exclusion from receiving Medicare reimbursements
- Damage to reputation
- Endless (and costly) litigation

No one has time to become an expert in every matter Thankfully, you don't have to

Practical Law is legal guidance created by lawyers for lawyers

7,000

hours spent per month ensuring content is current

280

full-time attorney-editors

70,000

resources across 15 practice areas

14

years of experience on average

128

health care resources

See how **Practical Law** can help you be right – consistently and quickly
