Search Template

1. **Search Options**: All public records searches are run against PeopleMap, Company Investigator, and Records, with the option to select which results you’d like to view first (e.g., select **PeopleMap** to have your search go to the PeopleMap results list).

2. **Search Criteria**: Enter the data into the template fields. You can search by name, Social Security number, business information, phone number, location, and more.

3. **All Templates**: Go here to find templates with content-specific search options.

4. **Quick Access**: If you use any public records search template often, you can add it to your Favorites or make it your Start Page.
Comprehensive Reports

1. After submitting your search criteria, select a person of interest from the results page. You can create a PeopleMap Report right from the results list.

2. Access more comprehensive information about that person by viewing a detailed person record, dynamic graphical displays that show connections, address maps (Google®), and Web analytics.

Alerts

3. You can set up an alert to be notified if any key information changes on the person you are investigating.
