## Discover an unmatched collection of legal authority

Access an unrivaled selection of editorially enhanced cases, statutes, regulations, administrative materials, and more – all leveraging KeyCite®, the industry's premier citator. With Primary Law on Westlaw®, you can find the information you're looking for quickly and confidently to help you build the strongest argument possible.

### CASES

Westlaw offers the most comprehensive collection of cases and provides exclusive online access to the National Reporter System®. Assess the potential of your law firm's case, learn about prevailing arguments in similar cases, and build a winning strategy.

The depth of caselaw coverage on Westlaw is unsurpassed, going back further than any other online research service. Also, the currency of our caselaw content is unmatched, with rulings from the US Supreme Court typically published online within five minutes of the decision. All other cases are posted within a few hours to a few days of receipt.

### STATUTES, REGULATIONS, AND COURT RULES

With exclusive online access to USCA® and the industry's only annotated CFR, Westlaw and Westlaw Edge offer the most comprehensive collection of statutes, regulations, court rules, and administrative materials. Nationwide coverage of state administrative codes, federal and state court rules, and annotated, indexed statutes for all 50 states and the District of Columbia provides all the same titles found in law libraries across the United States – online, all in one place.

#### Statutes Compare and Regulations Compare on Westlaw Edge

Streamline your legal research with the ability to see the most recent changes to a statute or federal regulation and compare any two versions quickly. Save time by eliminating the need to go through session laws or Federal Register sections to see how a statute or CFR section has changed.

### KEYCITE

KeyCite makes verifying legal research easier and more efficient than ever. Use it to instantly verify whether a case, statute, regulation, or administrative decision is good law, and to find citing references to support your legal argument.

#### KeyCite Overruling Risk on Westlaw Edge

KeyCite Overruling Risk warns you when a case may be implicitly affected by its reliance on an overruled or otherwise invalid prior decision.

### WEST KEY NUMBER SYSTEM®

The West Key Number System is the master classification system of US law and widely regarded as the cornerstone of effective legal research. For over 100 years, West Topic and Key Numbers have offered legal researchers a convenient way to zero in on a particular legal issue and quickly find on-point cases.

### GRAPHICAL STATUTES®

Chart the legislative changes made to a state statute or code section and link to related content. With a click, you can see all previous, current, and future versions; track pending changes; and connect to pertinent legislative history, caselaw, and KeyCite history.

### LEGISLATIVE HISTORY

Learn the intent and meaning of bills, statutes, and regulations (current and archived) when they are not well interpreted by the courts and agencies. Assess the extent to which a statute supports a claim or authorizes regulatory measures.

### PROPOSED AND ENACTED LEGISLATION

View the full text of all available bills (introduced, amended, and enacted versions) plus summaries and status information from current and recently ended sessions of legislatures.
