

Top Exclusives

Authoritative online resources for legal professionals

Westlaw® offers the largest selection of leading analytical titles so you can get up to speed quickly in new areas of the law or revisit familiar ones. Below are just a few of the exclusive titles you'll find.*

CORPUS JURIS SECUNDUM® (C.J.S.®)

America's first legal encyclopedia is available online exclusively on Westlaw. In it, you'll find coverage of more than 400 legal topics including civil and criminal, substantive and procedural, and state and federal. Each C.J.S. article not only provides the principles of applicable law, but also gives you a full range of authority as well.

WRIGHT & MILLER FEDERAL PRACTICE AND PROCEDURE®

The cornerstone of every federal practice library, the online version of this multivolume set answers your federal practice and procedure questions with thoughtful, current analysis written in clear, concise language. With more case annotations than any other Thomson Reuters Westlaw title, this comprehensive resource is also easily searchable through its quick-reference deskbook and table of contents.

ANNOTATED PATENT DIGEST

Time is of the essence when working with patents. This comprehensive digest is conveniently organized by topic and includes summaries of all relevant patent law decisions in the U.S. along with expert commentary, allowing you to quickly find what you're looking for.

COUCH ON INSURANCE

Take advantage of detailed expert case analysis, practice observations, and forms across a variety of topics:

- All types of insurance, including life and health
- Liability and indemnity
- Governmental life and disability
- Property and automobile
- Reinsurance, annuities, and ERISA
- Marine and fire

More than 250,000 case citations and case notes assure that your answers from Couch are complete and authoritative.

MCCARTHY ON TRADEMARKS AND UNFAIR COMPETITION

In the complex and ever-evolving trademark environment, rely on McCarthy on Trademarks and Unfair Competition to guide you with concise analysis of cases and statutes that will aid in registering and protecting trademarks.

WILLISTON ON CONTRACTS®, 4TH

Williston on Contracts, 4th, provides comprehensive coverage and analysis of contract law and the reasoning behind it, especially in judicial decisions. Coverage includes contract formation, agreements, illegal agreements, statute of frauds, interpretations, conditions, excuses for nonperformance, and more.

FEDERAL PROCEDURE

This one-stop resource provides detailed information on all aspects of federal procedure – civil, criminal, and administrative. It covers the Federal District Courts, Courts of Appeals, and the Supreme Court, in addition to coverage of procedure for specialized courts and administrative agencies.

CAUSES OF ACTION (COA®)

COA provides authoritative articles and substantive and practical overviews of hundreds of causes of action – including the elements of a prima facie case, defenses, parties, damages, and procedural matters. Also includes practice guides, checklists, sample cases and pleadings, research references, and discussions of related causes of action.

WEST'S® LEGAL FORMS

West's Legal Forms provides extensive transactional forms, commentary, checklists, analysis, and expert guidance in many major areas of law. It is organized around major legal topics and includes an extensive collection of forms vital for drafting transactional legal documents.
